

Breakfast with the Bunny

A "HOPPY" GOOD TIME

Thank you to **Pat's Pizza in Edgewood** for another amazing "Breakfast with the Bunny" on Saturday, March 24th. Pat's opened their doors and prepared a wonderful breakfast for the families of Edgewood while Extreme Family Outreach served the children and families. The children had a blast with Scooby Doo, Dora, face painting, crafts and of course the Easter Bunny. Thank you to all the volunteers and Youth Team Leaders that got up extra early on a Saturday morning to be a blessing!!
Together we are making a Difference!

Warm Hands..Warm Hearts

Home Visits

It felt like this past winter was a long and cold one but the Extreme Team was out in the communities making sure our kids were warm by supplying them with hats, gloves, hugs, scarves and encouragement. Thank you to everyone who donated these items. The boys and girls were so glad to see us and they are excited about the Spring Semester of our Scooby Doo program!

Many of our young people in the "Youth Leadership" program had the opportunity to share the impact that EFO has made in their lives at our annual "Rewrite a Child's Story" dinner/auction on March 9th. Alyssa White one of our high school seniors shared how she would not be the person she is today without the impact EFO has made on her and her family. Alyssa has been with us since she was five years old and she stated that her experience as a Youth Leader has given her the opportunity to change the lives of the kids in a way that they might not get from anyone else and that has been a priceless feeling. Angela Bush is a beautiful 13yr. Old Youth leader that has been with the Scooby Doo program since she was 4 yrs old, she loves the Scooby Doo program, how it brought her much joy and how it was the highlight of her week. Angela feels that being a Youth Leader has given her the confidence to teach other kids les-
