“HOLIDAY OF HOPE”

Can I make a difference this Holiday Season?

Yes YOU can!!

There are many children and families going through a difficult time, struggling to make ends meet. Extreme Family Outreach receives phone calls almost every week from hurting families. From parents desperate because their electricity has been shut off, there is no food in the house or their water has been cut off. They ask themselves, should I pay the water or gas bill or buy a gift for my child to have on Christmas morning. **YOU** can help us bring joy, happiness and **HOPE** this Holiday season by partnering with EFO to make a difference in the lives of many throughout Harford County. Listed below are the many opportunities YOU have to join us in sharing the true meaning of the Holidays.

YOU are **BLESSED** to be a **BLESSING**...call or email us **TODAY!!**
